## **OFFICE OF PETITIONS**

In re Application of  
Wellesley Alexander Allen  
Application No. 10/633,359  
Filed: August 4, 2003  
Attorney Docket No. N/A

**ON PETITION**

This is a decision on the petition under 37 CFR 1.137(a) filed February 2, 2011, to revive the above-identified application.

The petition is dismissed.

The rules and statutory provisions governing the operations of the U.S. Patent and Trademark Office require payment of a fee on filing each petition to revive an abandoned application for patent based on unavoidable delay or to accept an unavoidably delayed payment of a fee for issuing a patent. In this instance, the fee required by law is \$270. If this application is no longer entitled to small entity status, the petition fee required by law is \$540.

Since the present petition was not accompanied by the required \$270 petition fee, no consideration on the merits can be given to the present petition until the required fee is received.

Further correspondence with respect to this matter should be addressed as follows:
